SYNTHETIC REPORT - FORMAT REFERENCE

Format only. Example facts below must never enter the report.

1 Purpose and scope

State the commission, covered sites and evidence priorities.

2 Site assessment

Table 2-1: Risk summary - use repeated headings on later pages.

Site	Height m	H	G	E	Total	Risk	Source
X0	999	-	-	-	-	-	EXAMPLE ONLY

3 Controls and outstanding verification

Explain site-specific controls, assumptions and missing information.

Use readable tables. Move long explanations outside table cells.

Keep Word and Excel scope, scores and revision aligned.
